

JUNIOR MATCH PLAY!

You do not have to attend the whole session!
Come at the start- or part way through. Up to you!!

You do not have to train at our club to get involved in this program. You are welcome to invite players from other clubs, friends or family.

No bookings are necessary for Junior Match play. Simply come to the Proshop Counter- Pay your weekly fee and grab your pass, then make your way to the coach!

Some Parental guidance may be required. - Especially for Red ball players.

This program will be great to give your kids the initial confidence to go into a competitive fixture program, a tournament, or even just to get some more match play experience and practice those skills learnt in their lessons.

These are not competitive matches. However, we will encourage the players to keep score in order to learn the scoring systems of match play. Players are also encouraged to demonstrate good sportsmanship, with fair umpiring calls, and shaking hands with their opponents at the end of each round.

When:

Every Thursday during
the School Term.

Sessions:

4:00pm-5:30pm with
friendly matches rotating
every 15 minutes.

Cost:

\$12 per player,
per session
